Historical Society planning many events

On February 6, between 2 and 5 p.m., there will be an invitational grand reopening of Room 301 at Carbondale City Hall by the Carbondale Historical Society. Along with the room's reopening, the Society will host the gala opening of "The Metro 1982 Photoghraphy Contest," with an exhibit of the top four winning photos.

The photography exhibit will be in Carbondale for one full month, ending on March 6. The show will then proceed throughout the Pocono Northeast.

Times of the public showings will be announced at a future date.

On January 20 at 7:30 p.m. the Society will meet in Room 301 to further plans for the opening and other future events.

The Society is also planning a lecture on the Gravity Railroad sometime in mid-February and a town hall meeting to be held in April.

The Society will hold another regular meeting on February 3. Following the meeting, a board of director's meeting will be held the same evening.

All members are asked to participate in the meetings so the Society can have their input on future activities.
